

COMMUNITY

BENEFIT PROGRAMS

Children's Hospital of Philadelphia (CHOP) has more than 100 community benefit programs that strive to ensure that all children, especially the most vulnerable, experience the wonders of childhood. Our dedication to addressing community needs was recognized when the Association of American Medical Colleges presented us with the 2015 Spencer Foreman Award for Outstanding Community Service.

	\$294,685,326

*All financial data is for fiscal year July 1, 2014, through June 30, 2015. This fact sheet includes amounts expended by Children's Hospital of Philadelphia's hospital facilities, as reported on Schedule H of the IRS Form 990, and our controlled affiliates, including our physician practice plans, which are not required to complete Schedule H. Accordingly, the values on this fact sheet are greater than the amounts reported in the CHOP Schedule H, which applies only to our Hospital facilities. It does not include grants and contributions that support community benefit programs. For more information, call CHOP's Office of Government Affairs, Community Relations & Advocacy at 267-426-6904.
