

# Lesson 1:

# The Immune System

## Vocabulary Words

1. Immune system
2. Thymus
3. Bone marrow
4. Dynamic
5. Pathogens
6. Immune response
7. Innate immunity
8. Antigen
9. Enzyme
10. Inflammatory
11. Bacteria
12. Virus
13. Adaptive immunity
14. Humoral immune system
15. Cell-mediated immune system
16. Antibody-mediated
17. White blood cell
18. Leukocyte
19. Phagocyte
20. Intracellular
21. Complement
22. Antibody
23. T cell
24. B cell
25. Adaptive immunity
26. Vaccination
27. Immunologic memory
